Travel Research International Limited

Travel Research International Limited specialises in the provision of research publications and consulting services to the international travel and tourism industry. Based on some 30 years' experience in economic and business analysis with a particular focus on the tourism and travel sector, the company delivers its research in two ways: by the publication of detailed and objective reports on various sectors and markets within the industry, and by undertaking commissions for both public- and private-sector clients.

Enquiries regarding the company's research capabilities should be addressed to:

Contents

Section 1—Industry and country analysis

Chapter 1—Introduction	3
1.1 Scope and coverage	3
1.2 Structure of the report	4
1.3 Definitions and conventions	6
Chapter 2—Overview and key issues	7
2.1 The political background	7
2.2 Regional economic structure and prospects	8
Economic structure	8
The importance of oil	9
Economic prospects	10
Employment diversification	10
2.3 Recent trends in travel and tourism demand	11
Data limitations	11
Visitor and tourism arrivals trends	11
Trends in 2003/2004	12
Countries of origin	13
Visitor characteristics	15
Airlines	15
2.4 Long term tourism growth prospects	17
2.5 The hotel sector	18
The main countries	18
Characteristics of the hotel market	19
Branded hotels	21
The leading hotel groups	22
The leading brands	24
Hotel grades by country	27
Hotel sector performance	30
2.6 Hotel sector growth plans	32
Hotel expansion by country	32
Company expansion	33
Hotel expansion by city	34
2.7 Prospects and key issues	35
Political issues	35
Capacity expansion and demand trends	35
The region's tourism product	36
Hotel sector characteristics	37
Hotel sector development	37
Emerging regional players	37
Growth points	38

Chapter 3—Bahrain	40
3.1 Political and social background	40
3.2 The economy	41
Structure and performance	41
Prospects	41
3.3 Tourism in Bahrain	42
Attractions	42
Development policy	42
